1. Privacy Policy

Your privacy rights are our privacy policy. As of the formation of the club on October 1, 2014, the following privacy standards are in effect.

1. You have a right to keep your email address private from others in the club. In email to the general membership, your address will not normally be visible to others since all addresses will be blind copied. With your permission, your address will be released to others for a special reason such as when you are hosting an event. In addition, your email address will never be viewable by the public.
2. a) You have the right to keep your name, telephone number, postal address and email address private from those outside the club. Many documents are printed with that information for administrative purposes. Whenever such a document is discarded, it will be shredded.
b) In addition, your telephone number and postal address will not be released to other members in the club unless that is necessary, such as when you are hosting an event.
3. The club's web site is publically viewable. Member's full names will not be published on the web site unless you have indicated that that is allowed on your membership application where it asks "OK to release your name publically".
4. You have a right to keep your membership in a naturist organization private. No one in the club is to release another's name outside of the club without that member's expressed permission.
5. No one is allowed take another member's picture without that member's expressed permission.

2. Clothing Free Policy

Dayton Warm Breezes is a clothing free nudist club, not clothing optional. We assume if you came to an event, you have the desire to be nude. Reasonable consideration is given to those who are new to social nudity, yet want to participate. However, everyone must be fully nude when in a pool area or hot tub.

We recognize that there must be exceptions. For females, at times it is necessary to wear bottoms (shorts or swim wear bottoms will be permitted). Other examples of exceptions are weather conditions, while cooking or other appropriate activity and surgery. If you have situation that requires clothing, please talk to either John or Sharon so we know what is going on.

Another exception to this policy is that club event hosts, at their discretion, may designate the event as clothing optional.

3. Paying and Renewing Dues

All clubs have financial obligations which make it necessary to impose annual dues as a condition of membership. Each person or couple may attend two official club events before being required to join the club and having to pay the annual dues. Becoming a member is a two-step process: paying dues and submitting an application. The application form can be attained from the club's web site or from the club admin.

Dues are paid to the club admin. The method of payment may be via cash, check or Paypal. If paid by Paypal, send it the admin's normal email address.

Document it as a person to person transfer, not a sale, and do not pay for it with a credit card. In either case, the club will be charged a fee. If paying by check, make it out to the club admin, not to the club. Checks made out in the club's name cannot be cashed.

Each person or couple's membership is good for a period of one year rounded to the end of the month. During the last month of the membership, you will receive a notice via email that the membership is expiring. You will be given a one month grace period. If the dues are paid after the month it expires, your membership will be retroactive to the beginning of the month following the month of expiration. After that point, you will be dropped from club membership.

The ramifications of being dropped from club membership:

1. Unwelcome to attend club events without renewing the dues
2. Dropped from the club's email list
3. Dropped from access to the club's secret Facebook Group

4. Code of Conduct

We want all of our members and guests to enjoy themselves and feel comfortable. Dayton Warm Breezes is committed to providing a safe and friendly environment to promote naturism in a positive manner. As such, please be familiar with these guidelines.

We are normally not clothing optional. However, the party host, at their discretion, may designate their party as clothing optional.

Participants in our club events will not engage in behavior that would cause others to feel embarrassed or uncomfortable. Such behavior includes (but not limited to) language or actions, extreme intoxication, possession of a camera, possession of a firearm and sexually suggestive behavior.

The club is a non-sexual, family-oriented organization. Public affection and/or touching among members is permissible only to the extent that it would be acceptable in a public, fully clothed, family-oriented forum. Abusive language, rude, or crude behavior, overtly sexual behavior, or advances of an unwelcome or unwanted nature is unacceptable.

All attendees will respect the privacy of others. Names or identities are not to be revealed to anyone outside of the club membership without that person's permission. Names, email addresses, telephone numbers and postal address of hosts of club events are not to be released to anyone outside of club membership and event invited guests.

For sanitary reasons and as a courtesy, use a towel to sit on at all nude club functions.

Naturists are non-judgmental and body acceptance is a basic tenet of naturism. It is inappropriate to ask about or mention a person's physical appearance, weight, scars, piercings or clothing.

We encourage family participation including minors (those under the age of 18). However, minors may attend our nude events only when they are accompanied by a responsible adult. If the accompanying adult is not the minor person's parent or legal guardian, a properly completed Parental Permission form must be on file with DWB admin. See the Forms page on this web site.

Individuals who are married and not separated and want to join the club as a single are required to have their spouse's full acknowledgement and concurrence that you attend separate. Married couples who apply together as a couple are required to attend their first gathering together before attending separately.

Dayton Warm Breezes reserves the right to ban or revoke any member who fails to adhere to our code of conduct or when the comfort/safety of our members is compromised. DWB will issue refunds on a prorated basis for membership dues if you are discharged for conduct.
